

Meeting 10/14/15

Called to order 8:15 PM; adjourned 9:00 PM

In attendance: Elizabeth Carpenter, Kathy Murray, Skip Ash, Jerry Smith, Greg Welsh, Marty Presley, Robert Murray, Sr.

Discussion:

- ! It was realized that the copy of the Frankford Town charter that was previously handed out was the incorrect copy of the charter; the correct copy of the charter was found on line on the state of Delaware website by searching on their web site "town charters", selecting the town of Frankford, and clicking on "authenticated PDF version"; this version includes all of the amendment changes made over the years; utilizing this version of the charter is not only correct, but as it includes the amendments, it allows us to work with one document instead of a charter and multiple amendments in separate form.

- ! Due to the amount of work that it will take to accomplish the charter change, recognition of the fact that no changes can happen to positively affect the upcoming February 2016 election process, and the fact that Liz and Marty are very busy working on other town issues, the charter change committee has decided to hold any further work on the charter and delay the next meeting until after the first of the New Year.
